MARKET ANTITRUST LITIGATION

MDL DOCKET NO. 2328

SECTION: R(2)

This document relates to:

CHIEF JUDGE VANCE
MAG. JUDGE WILKINSON

ALL DIRECT PURCHASER CASES

AFFIDAVIT OF PHILIP A. GARRETT, C.P.A.

STATE OF LOUISIANA :

:

PARISH OF ORLEANS :

Philip A. Garrett, being duly sworn according to law deposes and says:

1. I am a certified public accountant. For over 35 years I was associated with the public accounting firm of Wegman Dazet & Company and I am now associated with the firm of Philip A. Garrett, CPA. A copy of my curriculum vitae summarizing my training and experience in the field of public accounting is attached to this report and affidavit as Exhibit "1."

2. Pretrial Order No. 9 approved my retention to assist and provide accounting services to the Direct Purchaser Plaintiffs' Co-Liaison Counsel, the Plaintiffs' Executive Committee, the Plaintiffs' Steering Committee, Indirect Purchaser Plaintiffs' Liaison Counsel and the Court in MDL No. 2328.

3. Pretrial Order No. 9 further sets forth the time and expense reporting procedures for submission of plaintiffs' counsel's time and expense and requires that all time and expenses submitted must be incurred only for work authorized in advance by Direct Purchaser Plaintiffs' Co-Liaison Counsel, the Plaintiffs' Executive Committee, or by Indirect Purchaser Plaintiffs'

Liaison Counsel, and that the time and expense guidelines are intended for all activities performed and expenses incurred by counsel that relates to matters common to all claimants in MDL 2328.

4. In connection with this assignment I reviewed the time and expense records of those counsel in MDL 2328 who submitted such records and who, I am advised, will petition the Court for an award of fees and costs for “common benefit” services in MDL 2328.

5. The total number of hours of professional time that was reported as of December 31, 2014 is 60,309 hours.

6. The total amount of “held expenses” as defined by PTO No. 9, incurred by common benefit counsel which has been properly documented as eligible for reimbursement under the terms of the applicable pretrial orders is \$522,369.74, as of December 31, 2014.

7. In addition to the reimbursable “held expenses” incurred by each common benefit counsel individually, certain reimbursable “shared expenses,” as defined by PTO No. 9, were incurred by the PSC. The PSC funded many of its common expenses in this litigation by periodically levying assessments on its members. As of December 31, 2014, PSC members each paid assessments the total of which assessments collected over the course of the litigation was \$1,665,000.00. The “shared expenses” incurred for the administration of the MDL from the PSC’s account paid from the assessments was then scrutinized. As of December 31, 2014, the PSC incurred \$1,588,781.35 in properly documented shared expenses which expenses are properly subject to reimbursement.

8. Copies of all of the law firm’s time and held costs submissions provided to me are available to the Court through protected access via the Case Cost Management System.

9. My Affidavit is based upon submissions received from various counsel pursuant to Pre-Trial Order No. 9.

PHILIP A. GARRETT, C.P.A.
