MDL No. 2328

IN RE: POOL PRODUCTS
DISTRIBUTION MARKET ANTITRUST
LITIGATION

SECTION: R(2)
JUDGE VANCE
MAG. JUDGE WILKINSON

THIS DOCUMENT RELATES TO ALL DIRECT-PURCHASER PLAINTIFF CASES

ORDER

Before the Court is Direct Purchaser Plaintiffs' Motion for Preliminary Approval of Settlement Between Direct Purchaser Plaintiffs and Hayward Industries, Inc. and Certification of a Settlement Class.¹ For the reasons specified in the order and reasons issued today in conjunction with this procedural order, IT IS HEREBY ORDERED THAT:

1. Pursuant to Rule 23(a) and (b)(3) of the Federal Rules of Civil Procedure, the Court certifies the following class for the purposes of settlement only (the "Settlement Class"):

All persons and entities located in the United States that purchased Pool Products in the United States directly from PoolCorp, during the Class Period from November 22, 2007 to November 21, 2011. Excluded from the Settlement Class are Defendants and their subsidiaries, parents, or affiliates, whether or not named as a Defendant in the Second Consolidated Amended Class Action Complaint, and government entities.

¹ R. Doc. 417.

Also excluded from the class are any putative class members who exclude themselves by filing a timely, valid request for exclusion.

2. The Court finds, for the purposes of settlement only, that the prerequisites for a class action under Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure have been satisfied in that: (a) the number of class members is so numerous that joinder of all members of the class is impracticable; (b) there are questions of law and fact common to each member of the class; (c) the claims of the Class Representatives are typical of the claims of the class they represent; (d) the Class Representatives will fairly and adequately represent the interests of the class; (e) the questions of law and fact common to the members of the class predominate over any questions affecting only individual members of the class; and (f) a class action is superior to other available methods for the fair and efficient adjudication of the controversy. The reasons for this ruling are contained in the separate order issued simultaneously with this one. The Court's certification of the Settlement Class as provided herein is without prejudice to, or waiver of the rights of any nonsettling defendant to contest class certification. In addition, Hayward does not waive its objections, arguments, or defenses with respect to class certification should there be no final settlement of the action with respect to Hayward.

3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, Aqua Clear Pools & Decks; A Plus Pools Corp.; Liquid Art

Enterprises d/b/a Carl Boucher; Oasis Pool Service, Inc.; Pro Pool Services; SPS Services, LLC d/b/a Premier Pools & Spas; and Thatcher Pools, Inc. are appointed as the Class Representatives.

4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court appoints as Settlement Class Counsel the law firms of Herman, Herman & Katz, LLC, 820 O'Keefe Avenue, New Orleans, LA 70113; Bernstein Liebhard LLP, 10 East 40th Street, 22nd Floor, New York, NY 10016; Kaplan Fox & Kilsheimer LLP, 850 Third Avenue, New York, NY 10022; and Labaton Sucharow LLP, 140 Broadway, New York, NY 10005.

5. Garden City is hereby appointed as the Claims Administrator for the settlement to be responsible for: (a) establishing a P.O. Box and website (to be included in the Notice of Settlement of Class Action) for the purpose of communicating with Settlement Class Members; (b) disseminating Notice to the Settlement Class; and (c) accepting and maintaining documents sent from the Settlement Class Members, including exclusion requests. Garden City shall be paid from the settlement funds in escrow, pursuant to further orders of this Court on *ex parte* motion for payment with itemized invoices and other appropriate documentation attached.

6. Citibank, N.A. is hereby appointed as the Escrow Agent for the settlement. Citibank, N.A. shall be paid from the settlement funds in escrow, pursuant to further orders of this Court on *ex*

parte motion for payment with itemized invoices and other appropriate documentation attached.

7. A hearing pursuant to Federal Rule of Civil Procedure 23(e) is hereby scheduled to be held before the Court on **March 5, 2015**, for the following purposes:

- (b) to determine whether the proposed allocation plan for the settlement fund is fair and reasonable and should be approved by the Court;
- (c) to consider the application of Class Counsel for an award of attorneys' fees and expenses; and
- (d) to rule upon such other matters as the Court may deem appropriate.

8. The Court approves the form, substance, and requirements of (a) the Notice of Pendency of Class Action and Proposed Settlement and (b) the Proof of Claim form.

9. The Notice and the Proof of Claim, approved by this Court, shall be mailed, by first class mail, postage prepaid, **within 21 calendar days** of the entry of this Order to all class members for whom an address is available from PoolCorp's transaction data.

10. The Claims Administrator shall also **within 21 calendar days** of the entry of this Order establish (1) a case-specific website, which shall include information about the proposed

12. Class Counsel shall, no later than **ten calendar days before** the date of the Final Fairness Hearing, file with the Court evidence that notice has been carried out as set out above.

13. The Court finds that the form and method of notice meet the requirements of due process and Rule 23 of the Federal Rules of Civil Procedure.

14. Class members shall be bound by all of the Court's orders in this case applicable to direct purchasers, unless they request exclusion from the class in a timely and proper manner according to the following directions.

A class member who wishes to be excluded shall mail the request in written form, by first class mail, postage prepaid, and postmarked by **Thursday, February 12, 2015**, to the Post Office Box address listed in the Notice. A request for exclusion shall include the following:

15. Class members requesting exclusion from the class shall not be entitled to receive any payment out of the Settlement Fund as described in the Settlement Agreement and Notice.

16. The Court will consider comments and/or objections to the Settlement, the allocation plan, or the award of attorneys' fees and reimbursement of expenses only if such comments or objections and any supporting papers are served by **Thursday, February 12, 2015** upon each of the following:
